THE UNIVERSE OVER 60  
Fringe Festival

Sister Sophia Kicks the Habit delves into the revelations of Sister Sophia, an aging Catholic nun in crisis. As she grieves the loss of her best friend Sister Beatrice, she grapples with the realities of her half century of sisterhood in her own restless night of the soul. Through her humorous and insightful musings (with songs!), Sister Sophia confronts g(G)od and in her quest to finally be heard, she discovers a newfound outlook on life.
